EVENT RULES

UCI Regulations will be enforced for all Categories

Valid UCI International licenses are required. Holders of UCI International riders that do not bear a photograph will be required to present an approved and valid government photo ID in addition to their UCI license.

Race Format:

- a. In accordance to the UCI regulations (3 motos, qualifiers, then 1 final)
- b. The UCI Scrambled Moto format as per UCI regulations, Part IV, 6.1.027, 6.1.027 quarter
 - Lane selection will be in accordance to the UCI regulations Part IV, 6.1.029.
 - Transfer and Scoring as per Part IV, 6.1.033

*The event format and schedule are subject to change. Any changes will be announced via official communique.

Front and Side Plates will be compulsory for all competitors. Should a rider have no Side Plate or a Side Plate that is not legible, he/she will be scored as a DNF.

Should a competitor not have his/her own MyLaps Transponder, the organizers will make one available. Any team or rider failing to return their transponder to the results company by the end of the Awards Ceremony will be charged 50 Euro for each transponder.

The BMX track will be closed outside of the designated practice/race times as outlined in the schedule. The UCI Chief Commissaire will authorize the opening and closing of the track as necessary. Commissaires or track officials as designated by the Chief Commissaire will monitor the track during all open times.

VENUE/TRACK INFORMATION

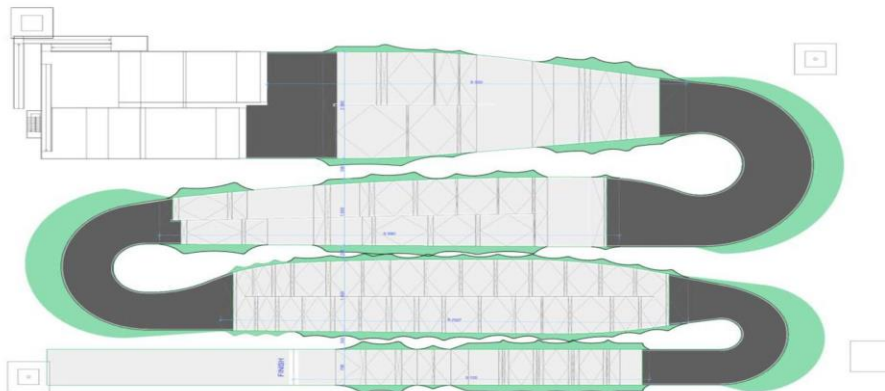

Location	Velopark, Baku, Azerbaijan
Start Hill	8 Meter
Track Length	390 Meters
Racing Surface	Limestone*

*The Baku BMX track & racing surface is designed for all weather conditions.

TEAM SETUP INFORMATION

All teams will be provided with adequate tenting space throughout the event.

Water, drinks and food will be available at the track for purchase on Practice and Race Days.

MEDICAL SERVICES

This venue will be serviced throughout all official practice and racing sessions by certified medical professionals. The nearest hospital to the venue is:

Central Clinic of Neftchilar

Mehdi Mehdizade Street
Baku, Azerbaijan
+994 12 404 28 00

The Central Clinic of Neftchilar is located at the distance of 13.5km from the BMX Velopark. It is approximately 20 min driving during the peak hours.

TRAVEL AND ACCOMODATION

OFFICIAL HOTEL

The Baku Organization is pleased to offer two attractive hotel options:

The Intourist Hotel will serve as the Official UCI Delegation Hotel as well as being available to teams and riders. The hotel is located approximately 12 kilometers from the BMX track.

The Panorama Villa Lux Hotel is an ideal option for riders and teams with 2 & 3 bedroom option apartments available with kitchens. This hotel is located 500 meters from the BMX track.

Information on pricing, room availability and how to book will be posted very shortly for BOTH of these hotel options.

AIRPORT

Baku Heydar Aliyev International Airport – Services by major airlines – Azerbaijan, Lufthansa, Turkish, Qatar and many others. The airport is located 20 minutes for Baku's City Center. The Baku Organization is offering airport pickup and return for registered teams. The cost for this service is 100.00 Euro per each round trip. This will be from airport to hotel and from hotel to airport. Please contact Mr. Elvin Heydarov at elvin.heydarov@avif.az for additional information or to book airport transportation.

ADDITIONAL GROUND TRANSPORTATION OPTIONS

Taxi, Bus, UBER and rental vehicles are available for the airport. Baku City offers a very fast and inexpensive subway system. The BMX Track is located 20 minutes west of the city center.
